

OUR BRILLIANT LAWYERS

Thank you Robert & Christian
For helping us to defend,
Against Crossroads Career Institute
Who thought that They would win.

You were smooth, you were cool,
You did your research and your duty.
You were more exciting to watch
Than the famous T.V. show Judge Judy.

You took our case, you believed
That we were right.
You took our case to court,
For a long seven-day fight.

You put the students on the stand,
they told of the schools demise.
You put the Defendants on the stand,
You broke through all their lies.

The Jury believed, you proved your case
They came back in our favor.
We appreciate what you did for us,
Over two years of research and labor.

THANK YOU SO MUCH!
