

Most Sincere Appreciation

Robert A. Scirocco, Esq.

I would like to offer the most sincere thanks and appreciation to Robert A. Scirocco, Esq. and to his legal staff. Much like a modern day David taking on Goliath, Bob took on a multi-billion dollar multi-national corporate giant with a well staffed in-house legal department and high priced retained legal firm to assist them.

As my advocate, Bob consistently operated with honesty, integrity, respect, discipline, courage and confidence when taking on opposing counsel. Despite the many twists and turns in the case and despite having to address continuous delays and motions, as well as significant and well planned obstacles set before us, Bob believed in me and my case and in the end prevailed to win the case for my family and me. For that I wish to thank you.
